

INNOVATIVE CAD/CAM SOLUTIONS

Conference program

HALL 3.1 - BOOTH 071K

March 14-18

IDS[®]
2023

Cologne

10:30 Metal Additive Manufacturing, Focus on the Hybrid Process.
10:50 Francesco Cantele, Branch Dental Industry Manager, **TRUMPF**.

11:00 Meet FileHub, the newborn operational manager software.
11:20 Claudio Lorenzi, Product and Technical Manager, **CIMsystem**.

11:30 What's new in MillBox.
11:50 Claudio Lorenzi, Product and Technical Manager, **CIMsystem**.

12:00 CORiTEC Aligner workflow.
12:20 Michael Frohnafel, Regional Sales Manager Americas, **Imes-icore**.

BREAK

15:00 Perform your sintering and milling workflow with Make&Mill.
15:20 Jimmy Ashlock, Technical Specialist, **CIMsystem**.

15:30 Laser Melting workflow with Pyramis, your 3D printing slicing software.
15:50 Luca Trevisan, Product Manager, **CIMsystem**.

16:00 Hybrid Milling 2.0: Ready, Set, Mill.
16:20 Lucas Kehl, Head of Product, **VHF**.

10:30 Automated Manufacturing in Digital Dentistry.
10:50 Semih Kafa, Technical Support Team Leader, **Redon**.

11:00 Pyramis Advanced Features: boost your 3D printing management.
11:20 Luca Trevisan, Product Manager, **CIMsystem**.

11:30 Perform your sintering and milling workflow with Make&Mill.
11:50 Jimmy Ashlock, Technical Specialist, **CIMsystem**.

12:00 CORiTEC Aligner workflow.
12:20 Michael Frohnapfel Regional Sales Manager Americas, **Imes-icore**.

BREAK

14:30 Mlab and Pyramis: The ideal match for dental applications.
14:50 Ismail Abdelrahman, Product Manager, **GE Additive**.

15:00 Meet FileHub, the newborn operational manager software.
15:20 Claudio Lorenzi, Product and Technical Manager, **CIMsystem**.

15:30 What's new in MillBox.
15:50 Claudio Lorenzi, Product and Technical Manager, **CIMsystem**.

16:00 Power to mill in melting recovery.
16:20 Mauro Colombo, Business Developer Leader Italia, **OSG**.

10:00 Mlab and Pyramis: The ideal match for dental applications.
10:20 Ismail Abdelrahman, Product Manager, *GE Additive*.

10:30 Metal Additive Manufacturing, Focus on RPDs.
10:50 Francesco Cantele, Branch Dental Industry Manager, *TRUMPF*.

11:00 Meet FileHub, the newborn operational manager software.
11:20 Claudio Lorenzi, Product and Technical Manager, *CIMsystem*.

11:30 What's new in MillBox.
11:50 Claudio Lorenzi, Product and Technical Manager, *CIMsystem*.

12:00 Automated Manufacturing in Digital Dentistry.
12:20 Semih Kafa, Technical Support Team Leader, *Redon*.

BREAK

14:30 INNOVA and M-BASE: cutting edge manufacturing concepts for advanced prosthetic solutions.
14:50 Fabio Cocchi, Export Manager, *NewAncorvis*.

15:00 Laser Melting workflow with Pyramis, your 3D printing slicing software.
15:20 Luca Trevisan, Product Manager, *CIMsystem*.

15:30 Perform your sintering and milling workflow with Make&Mill.
15:50 Jimmy Ashlock, Technical Specialist, *CIMsystem*.

16:00 Power to mill in melting recovery.
16:20 Mauro Colombo, Business Developer Leader Italia, *OSG*.

10:30 INNOVA and M-BASE: cutting edge manufacturing concepts
10:50 for advanced prosthetic solutions.
Fabio Cocchi, Export Manager, *NewAncorvis*.

11:00 Pyramis Advanced Features: boost your 3D printing management.
11:20 Luca Trevisan, Product Manager, *CIMsystem*.

11:30 Perform your sintering and milling workflow with Make&Mill.
10:50 Jimmy Ashlock, Technical Specialist, *CIMsystem*.

12:00 Excellence in the evolution of the dental laboratory.
12:20 Yann le Rat, Overseas Director, *Tecno-Gaz*.

BREAK

15:00 Meet FileHub, the newborn operational manager software.
15:20 Claudio Lorenzi, Product and Technical Manager, *CIMsystem*.

15:30 What's new in MillBox.
15:50 Claudio Lorenzi, Product and Technical Manager, *CIMsystem*.

16:00 Power to mill in melting recovery.
16:20 Mauro Colombo, Business Developer Leader Italia, *OSG*.

10:30 Metal Additive Manufacturing, Focus on the Custom Abutments.
10:50 Francesco Cantele, Branch Dental Industry Manager, **TRUMPF.**

11:00 Meet FileHub, the newborn operational manager software.
11:20 Claudio Lorenzi, Product and Technical Manager, **CIMsystem.**

11:30 What's new in MillBox.
11:50 Claudio Lorenzi, Product and Technical Manager, **CIMsystem.**

12:00 Digital pathway to dental milling success.
Dwight Blair, Global Product Manager Dental Division
12:20 **DGSHAPE a Roland Company**

BREAK

14:30 Laser Melting workflow with Pyramis, your 3D printing
slicing software.
14:50 Luca Trevisan, Product Manager, **CIMsystem.**

15:00 Perform your sintering and milling workflow with Make&Mill.
15:20 Jimmy Ashlock, Technical Specialist, **CIMsystem.**
